My dear Mrs. Manley:

When your Club played here on April 16th, they made a great hit with the fans in North Carolina. I talked with Mr. Manley regarding a return engagement here during the summer. I would be glad to have you here the date of May 28th if you can make it. You would meet a strong Army Club which will be a tremendous drawing card. vs. your team. After this game I expect to return you here in a game vs. the Grays and would be glad for that to take place on the date of June 25th.

I expect this game on May 28th to draw a gate of about 3000 people. The admission will run around about 50¢. I can offer terms on this particular game of 50% of the receipts to you after park, balls, etc. are taken out. The other expenses will be on my part.

Please let me know by return mail if you can make arrangements to be here. You can probably get a game at Durham on the 29th or if you want to remain here until Saturday, May 30th, I will work up a game for you at Winston-Salem on Saturday night.

Very sincerely yours,

*A. J. Hammonds*

P. S. The gate should gross around \$700 or \$800.

*You can play Norfolk Va. Sunday 31st  
if you are not going to play Washington D.C.*
